This note is to inform the owner that the young fellow who towed my car off of the PA TP to Willow Grove Home Depot on Monday morning, July 20th is an admirable person. I'm not sure but I think the name on his shirt was Scott.

To say the least, I was very nervous and scared, as my son and I waited along side of a very busy section for a tow truck.

He could not have been more polite, pleasant and serviceable to a bearded 85 year old lady!

In my book, he is a top notch person and certainly an asset to your business.

Sincerely,

Elsie Weinholt

Please give him a copy of the note.

Maybe I sent to the wrong Center. Please forward if that is the case.
